**MEADOWWORKS METROPOLITAN DISTRICT NO. 1
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Meadowworks Metropolitan District No. 1 ("District"), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso county, Colorado on November 29, 2021, and is governed pursuant to the provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The consolidated service plan, dated July 27, 2021, formed the Meadowworks Metropolitan District No. 1 – 5 ("The Districts").

The District was organized to provide the planning, design, acquisition, construction, installation, relocation, redevelopment, and financing of public improvements allowed under Colorado law for the districts. The District shall dedicate the public improvements to the City or other appropriate jurisdiction or owners association in a manner consistent with the Approved Development Plans. The District was organized in conjunction with Meadowworks Metropolitan District No. 2 ("District No. 2"), Meadowworks Metropolitan District No. 3 ("District No. 3"), Meadowworks Metropolitan District No. 4 ("District No. 4"), and Meadowworks Metropolitan District No. 5 ("District No. 5") to serve the needs of the Meadowworks development for the purpose of financing, construction and operation of improvements and infrastructure serving the five districts. District No. 1 is responsible for managing the construction, operation and maintenance of all improvements not transferred to the City of Colorado Springs. District No. 2, District No. 3, District No. 4, and District No. 5 are responsible for providing the funding and tax base needed to support the financing plan for capital improvements and to fund ongoing operations. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Developer Advance

The District is in the development stage. As such, the operating and administrative expenditures will be mainly funded by the Developer. A major portion of the capital expenditures are also expected to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Intergovernmental Revenue

Pursuant to an intergovernmental agreement with Meadowworks Metropolitan District Nos. 2-5, the intergovernmental revenues represent the transfers from Meadowworks Metropolitan District Nos. 2-5 to provide funding for the overall administrative and operational costs.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of property taxes is reflected on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000

MEADOWWORKS METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The Meadowworks Metropolitan District No. 2 ("District"), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso county, Colorado on November 29, 2021, and is governed pursuant to the provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The consolidated service plan, dated July 27, 2021, formed the Meadowworks Metropolitan District No. 1 – 5 ("The Districts").

The District was organized to provide the planning, design, acquisition, construction, installation, relocation, redevelopment, and financing of public improvements allowed under Colorado law for the districts. The District shall dedicate the public improvements to the City or other appropriate jurisdiction or owners association in a manner consistent with the Approved Development Plans. The District was organized in conjunction with Meadowworks Metropolitan District No. 1 ("District No. 1"), Meadowworks Metropolitan District No. 3 ("District No. 3"), Meadowworks Metropolitan District No. 4 ("District No. 4"), and Meadowworks Metropolitan District No. 5 ("District No. 5") to serve the needs of the Meadowworks development for the purpose of financing, construction and operation of improvements and infrastructure serving the five districts. District No. 2 is operated separately from District No. 1, District No. 3, District No. 4, and District No. 5 and is responsible for managing the District's construction, operation and maintenance of all improvements not transferred to the City of Colorado Springs. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of property taxes is reflected on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**MEADOWWORKS METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000
			Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10% of the property taxes collected.

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Intergovernmental expenditure

Property taxes generated from the mills levied by the District for operations and maintenance, net of fees and other administrative expenditures, are expected to be transferred to District No. 1, the Operating District, which pays all other administrative expenditures of the District.

Debt and Leases

The Districts has no debt, nor does it have any operating or capital leases.

**MEADOWWORKS METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 1, which pays for all four Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget.

This information is an integral part of the accompanying budget.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Meadowworks Metropolitan District No. 3 ("District"), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso county, Colorado on November 29, 2021, and is governed pursuant to the provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The consolidated service plan, dated July 27, 2021, formed the Meadowworks Metropolitan District No. 1 – 5 ("The Districts").

The District was organized to provide the planning, design, acquisition, construction, installation, relocation, redevelopment, and financing of public improvements allowed under Colorado law for the districts. The District shall dedicate the public improvements to the City or other appropriate jurisdiction or owners association in a manner consistent with the Approved Development Plans. The District was organized in conjunction with Meadowworks Metropolitan District No. 1 ("District No. 1"), Meadowworks Metropolitan District No. 2 ("District No. 2"), Meadowworks Metropolitan District No. 4 ("District No. 4"), and Meadowworks Metropolitan District No. 5 ("District No. 5") to serve the needs of the Meadowworks development for the purpose of financing, construction and operation of improvements and infrastructure serving the five districts. District No. 1 is responsible for managing the construction, operation and maintenance of all improvements not transferred to the City of Colorado Springs. District No. 2, District No. 3, District No. 4, and District No. 5 are responsible for providing the funding and tax base needed to support the financing plan for capital improvements and to fund ongoing operations. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of property taxes is reflected on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**MEADOWWORKS METROPOLITAN DISTRICT NO. 3
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000
			Oil & Gas Production	87.50%		

Expenditures

Intergovernmental expenditure

Property taxes generated from the mills levied by the District for operations and maintenance, net of fees, are expected to be transferred to District No. 1, the Operating District, which pays all administrative expenditures of the District.

Debt and Leases

The Districts has no debt, nor does it have any operating or capital leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 1, which pays for all four Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget.

This information is an integral part of the accompanying budget.

**MEADOWWORKS METROPOLITAN DISTRICT NO. 4
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Meadowworks Metropolitan District No. 4 (“District”), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso county, Colorado on November 29, 2021, and is governed pursuant to the provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The consolidated service plan, dated July 27, 2021, formed the Meadowworks Metropolitan District No. 1 – 5 (“The Districts”).

The District was organized to provide the planning, design, acquisition, construction, installation, relocation, redevelopment, and financing of public improvements allowed under Colorado law for the districts. The District shall dedicate the public improvements to the City or other appropriate jurisdiction or owners association in a manner consistent with the Approved Development Plans. The District was organized in conjunction with Meadowworks Metropolitan District No. 1 ("District No. 1"), Meadowworks Metropolitan District No. 2 ("District No. 2"), Meadowworks Metropolitan District No. 3 ("District No. 3"), and Meadowworks Metropolitan District No. 5 ("District No. 5") to serve the needs of the Meadowworks development for the purpose of financing, construction and operation of improvements and infrastructure serving the five districts. District No. 1 is responsible for managing the construction, operation and maintenance of all improvements not transferred to the City of Colorado Springs. District No. 2, District No. 3, District No. 4, and District No. 5 are responsible for providing the funding and tax base needed to support the financing plan for capital improvements and to fund ongoing operations. The District’s service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of property taxes is reflected on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**MEADOWWORKS METROPOLITAN DISTRICT NO. 4
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000
			Oil & Gas Production	87.50%		

Expenditures

Intergovernmental expenditure

Property taxes generated from the mills levied by the District for operations and maintenance, net of fees, are expected to be transferred to District No. 1, the Operating District, which pays all administrative expenditures of the District.

Debt and Leases

The Districts has no debt, nor does it have any operating or capital leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 1, which pays for all four Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget.

This information is an integral part of the accompanying budget.

**MEADOWWORKS METROPOLITAN DISTRICT NO. 5
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Meadowworks Metropolitan District No. 5 (“District”), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso county, Colorado on July 27, 2021, and is governed pursuant to the provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The consolidated service plan, dated July 27, 2021, formed the Meadowworks Metropolitan District No. 1 – 5 (“The Districts”).

The District was organized to provide the planning, design, acquisition, construction, installation, relocation, redevelopment, and financing of public improvements allowed under Colorado law for the districts. The District shall dedicate the public improvements to the City or other appropriate jurisdiction or owners association in a manner consistent with the Approved Development Plans. The District was organized in conjunction with Meadowworks Metropolitan District No. 1 ("District No. 1"), Meadowworks Metropolitan District No. 2 ("District No. 2"), Meadowworks Metropolitan District No. 3 ("District No. 3"), and Meadowworks Metropolitan District No. 4 ("District No. 4") to serve the needs of the Meadowworks development for the purpose of financing, construction and operation of improvements and infrastructure serving the five districts. District No. 1 is responsible for managing the construction, operation and maintenance of all improvements not transferred to the City of Colorado Springs. District No. 2, District No. 3, District No. 4, and District No. 5 are responsible for providing the funding and tax base needed to support the financing plan for capital improvements and to fund ongoing operations. The District’s service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of property taxes is reflected on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**MEADOWWORKS METROPOLITAN DISTRICT NO. 5
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000
			Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10% of the property taxes collected.

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Intergovernmental expenditure

Property taxes generated from the mills levied by the District for operations and maintenance, net of fees, are expected to be transferred to District No. 1, the Operating District, which pays all administrative expenditures of the District.

Debt and Leases

The Districts has no debt, nor does it have any operating or capital leases.

**MEADOWWORKS METROPOLITAN DISTRICT NO. 5
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 1, which pays for all four Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget.

This information is an integral part of the accompanying budget.

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
